

Trio Stealth-10 Back Panel Replacement

This guide will explain the steps to replace the back panel of the Trio Stealth-10.

Written By: Brandon Ferreira

TOOLS:

- [iFixit Opening Tools](#) (1)
-

Step 1 — Back Panel

- To remove the back panel, you will need to use a plastic opening tool and slowly separate the back panel from the device.

To reassemble your device, follow these instructions in reverse order.
